

INSTITUT JANTUNG NEGARA
National Heart Institute

We are looking for suitable and qualified candidate for the following position:

DIETITIAN

Responsibilities

- Provide nutrition counseling and education for various dietary-related medical conditions for patients and caregivers.
- Provide nutrition support for patients who are unable to achieve adequate nutrition requirements orally (e.g. tube feeding, oral supplementation and parenteral nutrition).
- Provide education and support to
 - Food services personnel on therapeutic diets required by patients.
 - Healthcare professionals (e.g. physicians, nurses, dietetic technicians, pharmacists)
- Participate in community nutrition education via the mass media (TV, radio, articles in newspaper/magazines) and public talks/road shows/workshops.
- Participate in continuous quality improvement activities (e.g. JCI, HACCP, ISO, MSQH, Halal).
- Contribute towards continuous professional development and research programmes.

Requirements

- Bachelor degree or post graduate studies in Nutrition and Dietetics recognized by Malaysian Dietitians Association.
- Fresh graduates with clinical attachment in local hospitals and food services are encouraged to apply.
- Comprehensive knowledge and skill in various medical nutrition therapies and food services.
- Must have good command of Bahasa Malaysia and English (spoken and written). Knowledge of other languages or dialects would be an added advantage.
- General knowledge of nutrient analysis and word processing programmes.
- Able to work independently on assigned patient care units and interdisciplinary teams.
- Have an honest and pleasant personality, able to maintain confidentiality in patient care.

Note: This position is offered for a year contract. After that, based on performance, the candidate may be absorbed as permanent staff at the sole and absolute discretion of the company.
