

INSTITUT JANTUNG NEGARA
National Heart Institute

We are looking for suitable and qualified candidate for the following position:

CARDIOVASCULAR TECHNOLOGIST (TRAINEE) NON-INVASIVE CARDIOVASCULAR LABORATORY (NCL)

Cardiovascular technologist (CVT) is an allied health professional who specifically focuses in diagnosis and treatment of patients with cardiac and vascular diseases. Through the use of specific high-technology equipment, he/she performs cardiovascular examination procedures to create an easily definable data, from which correct anatomic and physiologic diagnosis may be developed for each individual patient. CVT therefore is a highly specialized diagnostician of the various presentations of cardiovascular diseases.

Responsibilities

- To perform various non-invasive investigation procedures such as:-
 - Stress Test
 - Echocardiography
 - Dobutamine Stress Echocardiography (DSE)
 - Stress Echocardiography (SE)
 - Ambulatory ECG Monitoring
 - Nuclear Screening
 - Executive Screening Programme (ESP)
- To work in collaboration with other allied health professionals to support cardiologist in performing invasive procedures including, hemodynamic monitoring, perform blood gas analysis, blood saturation, hemodynamic quantification, electrophysiological study and etc.
- To assist cardiologist in the adjunctive procedures such as IVUS, FFR, rotational atherectomy, IABP insertion etc.
- On standby and 24 hours call when needed.
- Other duties as instructed by the Head of Department

Requirements

- Degree in Cardiovascular Technology from an accredited university, local or international / Degree of Biomedical Science / Diploma in Medical Assistant / Diploma or Degree of Nursing
- Good command of English and Bahasa Malaysia, spoken & written.
- Computer literacy i.e. Microsoft Internet Explorer, Excel, Words and Outlook
- SPM result of grade B+ and above for Mathematic, English and Science/Biology subjects.
- Candidates from other than Bachelor in Cardiovascular Technology will be required to undergo minimum 1 year of training at IJN College and also on-the-job training at NCL Department.
