

INSTITUT JANTUNG NEGARA  
National Heart Institute

Institut Jantung Negara (IJN) is offering a fully sponsored DPhil (PhD) in Clinical Research at Oxford Centre for Clinical Magnetic Resonance Research (OCMR), University of Oxford, United Kingdom which is open to all Malaysian age below 45 years on closing date of application.

The key intent is to strengthen the organization's clinical research capability in the area of cardiovascular diseases. This is in line with IJN mission to be at the fore front of research and development in cardiovascular and thoracic care capabilities.

The ideal candidates should meet the following criteria:

### **Essential**

- Primary medical degree (MBBS or equivalent) and MMed/MRCP or equivalent qualification.
- Evidence of a strong academic background, motivation and capability to undertake research programme.
- Proven relevant clinical experience of 2 – 3 years in cardiology and in particular cardiac imaging with experience of diagnosis and treatment of heart failure.
- Evidence of relevant publications, national/international presentations, prizes and honors to support this application.
- Evidence of excellence written and oral communication skills including the ability to write concisely, coherently and logically. Ability to communicate effectively with people at all levels.
- Eligibility to obtain United Kingdom Graduate Medical Council, (GMC) registration.

### **Desirable**

- Evidence of previous experience in the conduct of clinical trials.
- Documented knowledge of the principles of Good Clinical Practice (GCP) in research.
- Excellent IT literacy e.g. Microsoft Office, Adobe products as well as aptitude for bespoke packages.

The shortlisted candidates will go through a thorough screening process both by IJN and the OCMR:

- The candidates will need to sit for a psychometric test which will be administered by IJN.
- Interview by IJN for recommendation to the OCMR University of Oxford.
- Interview by the OCMR, University of Oxford for further recommendation to the Oxford panel of interviewers.
- Final interview selection by the University of Oxford panel.
- The tentative in-take will be in October 2019.
- The program's duration is normally between 3 to 4 years.
- Upon completion of the program, candidate will be offered a full time position with IJN.

**Closing Date**  
27<sup>th</sup> June 2019

**Learning & Development Unit**  
**Human Capital & Organizational Development**
