IJN has received RM1 million zakat contributions from Majlis Ugama Islam Pahang or MUIP. According to IJN's CEO Dato' Seri Dr. Mohd. Azhari Yakub, the zakat are to assist Muslim heart patients from Pahang who could not afford treatment costs. He said the cost of heart treatments is high and contributions from organisations such as MUIP afford poor heart patients a chance at quality treatments. Dr. Mohd. Azhari also mentioned that child heart patients, especially from single parent families, often face surmounting financial
